Position: Unreal Engine 4 Developer

Groove Jones, a world-renowned and award-winning studio specializing in Augmented Reality, Virtual Reality and Interactive Entertainment technologies, is currently seeking a person to take on the role as Unreal Engine 4 Developer.

You will get to experience the latest cutting-edge technologies and working with exciting clients.

Qualifications

- 4+ years in Unreal Engine 4 development
- Deep understanding of Unreal Engine 4 software and best practices
- Comfortable with adapting to and improving art asset pipelines
- Experience with custom material creation for large scale projects
- Understanding of lighting workflows in Unreal Engine
- Environment artist
- Mindset of a creative director
- Mid to senior-level development experience with at least 3-5 years' experience at an Interactive shop, agency or game studio.
- Experience managing a technical/developer team
- Past experience working in AR/VR space
- Bonus extras: Unity experience
- The position requires a dynamic person that thrives in a fast-paced environment.
- The ideal candidate would have an excellent understanding of mobile, digital and interactive space.

Duties and Responsibilities

- Help create VR and AR interactive experiences for HMD's, iOS devices, and Android devices
- Take creative concepts and design software solutions for them
- Serve as the creative lead for Unreal development pipelines and projects.
- Utilize a wide variety of programming languages, platforms, frameworks and APIs

Applicants should submit their resume with links to 3 examples of published work available for view either online or interactive projects through the Apple Store, Google Play, Steam, or Oculus Store. Resumes should be sent to whois@groovejones.com.

About Groove Jones

Groove Jones is an award-winning creative technology company that provides software solutions to advertising, entertainment, marketing, health, and training companies to engage with their audiences. It has a client list of numerous Fortune 500 companies like Amazon, AT&T, Comcast, FX, HP, IBM, Intel, Mastercard, McDonald's, Nestle, Samsung, and Under Armour.

We are artists, musicians, thinkers, creators, tinkerers, technologists, gamers, strategists, innovators, rebels, developers and most of all, digital fanboys (and fangirls) with a common interest: consistently delivering amazing, effective work for amazing clients. We love what we do.
